Early 20th Century Danish Pine Small Chest of Three Drawers Nightstand

Antique pine nightstand or small chest of four drawers with clean lines. Note the natural wax finish that brings out the warmth of the pine.
Restored, this nightstand is strong, stable and ready for use. Drawers function, open with wood pulls.
All nicks, old markings, cracks (bottom drawer, top), age related separation (sides) and signs of wear reflect the generations of use and do not impact function. Back appears to have been replaced at some point in time.
Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
