Early 19th Century Baroque Oak Console Library Table with Drawer

This handsome baroque style oak library table with one drawer has heavily turned and carved legs with scalloped skirt and attractive lower stretcher base.
The top is all natural oak with nicks, cracks and minor stains reflecting generations of use, likely as a work table. Age related separation of planks typical for age. Cracks visible at lower front left section of table and along the legs but does not impact function. Some slight bowing to top and lower stretcher.
Restored, strong, stable and ready for use. All scratches, cracks, dings, and age related separation are reflective of age and do not detract from the function of this heavy oak table.
Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.

With over 37 years of experience selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas) offers one of the largest curated selections in the nation with over thirty-five thousand square feet of inventory to choose from.
