## Vintage Small Pine Rustic Coffee Table with Iron Legs

This rustic coffee table may also serve as a unique side table, thanks to the vintage iron legs that accent the warm patina of the worn pine top. Typical age-related separation of the planks, scratches, dings, cracks, old (dried) wormholes and stains all reflect the generations of use this table has seen. Restored and waxed, it is strong, stable and ready to use and enjoy.

With over 37 years of experience selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas) offers one of the largest curated selections in the nation with over fifteen thousand square feet of inventory to choose from.
