## out on approval - Small Gray Painted Gustavian Side Table, Sweden circa 1880

This delightful country Gustavian table with decorative carved edges will make a lovely small side table or nightstand.

The table has a newer, professionally applied layered gray painted finish which has been gently distressed matching its age and character.

Note the lovely tapered legs, unique lower stretcher and single drawer.

This table has been restored, the drawer functions and it is ready to be used and enjoyed. Please enlarge the photos to appreciate the details up close, particularly the charm of the painted finish. Any cracks, nicks, scratches or signs of wear are commensurate with age and do not detract from the function nor beauty of this table.
