Large Black Chest of Drawers with Griffins in Gold, Sweden circa 1840-60

A large decorative Gustavian style pine chest of drawers with dramatic "à La Grecque" or Greek key motif in blue and mythical griffins in burnished gold.

Canted fluted side posts with diamond motif, dentil molding and raised on four tapered fluted feet.

Restored, later professional painted in layered black finish, lightly distressed to fit the age of this handsome chest of three large drawers.

Any scratches, cracks, dings, or age related separation are commensurate with age and do not detract from the beauty nor function of this lovely dresser.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
