Blue Painted Pine Side Table With Cabriolet Legs, Sweden circa 1820-40

The curved cabriolet legs add a charming touch to this pine side table with single drawer from the Swedish countryside. The newer, professionally applied blue painted finish has been lightly distressed revealing the natural pine and a trace of old red paint below.

Restored, stable and drawer functions. Any scratches, cracks, dings, nicks (see top), old dried worm holes or age related separation are reflective of age and do not detract from the beauty nor function of this delightful accent table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
