Standing Bar Wine Tasting Table from Old Wine Press, Hungary circa 1900

This unique wine tasting table or standing bar/table was created with an antique wine press from Hungary as the intriguing base. The top is made from old boxcar/railroad car flooring which lends a strong balance to the industrial feel of the lower wine press. Note the heavy wrought iron bolts, bands and turning mechanism.

Carved from oak, the wine press alone is a heavy base that is crowned with the thick boxcar flooring wood top.

Restored, waxed, stable and ready for use, this truly one of a kind bar table will be a conversation starter with all your guests. Any nicks, cracks, scratches, gouges, distress around the feet or signs of wear are age related and in no way impact the strength, function nor appeal of this incredible wine tasting table.

Estimate weight 200-300 lbs.

Height to table top: 47"
