Chinese Cabinet Armoire, circa 1860-80

The superb quality of this Chinese cabinet is largely due to the exceptional finish. The old brown painted finish has slight red undertones and is accentuated by a hand buffed finish, leaving a warm organic feel to this armoire.

Restored (new hardware), strong and stable. Any scratches, cracks, dings, or age related separation are commensurate with age and do not detract from the beauty nor function of this inviting cabinet standing just under 6' tall.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.

Interior Shelf Depth: 16"
