## Small Gray Painted Gustavian Cabinet Nightstand, Sweden circa 1840

Small Swedish country original gray painted cabinet standing on fluted tapered legs; may serve also as a nightstand or side table.

Carved fluted diamond detail accents the upper drawer and lower cabinet door that opens on lower hinge.

Restored, strong and stable. Any old nicks, scratches, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this delightful cabinet. Painted finish is distressed and reveals the natural pine wood below.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
