Narrow Pine Two Door Armoire, Sweden circa 1800's

Lovely dark pine narrow armoire from the Swedish countryside which dates to the early 1800's. Note the raised bonnet or "crown," the original hardware including hinges, interior drawers and dark patina of the pine. Restored, strong and stable, this armoire is ready to be placed and enjoyed. Old lock functions stiffly, secures with key (included). All scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this lovely armoire.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
