## Rustic Brown Narrow Console Table, Hungary circa 1900

This narrow console table is both unique and charming, thanks to the gently distressed original brown paint, two drawers and trestle base adding to its rustic country appeal.

Note there is a trim or edge around the top. This table has been restored, so it is strong, stable and ready for use. Any nicks, scratches, cracks, or signs of wear are commensurate with age and do not detract from the function nor visual appeal of this delightful console table.

With over 37 years of experience selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas) offers one of the largest curated selections in the nation with over fifteen thousand square feet of inventory to choose from.
