Rustic Console Table with Peg Legs, Hungary circa 1890

The appeal of this 4' rustic console table comes from the heft of the thick hard wood top that originally served as a work table, resting on strong splayed peg legs. Note the heavy gouges, nicks, old cracks, dried worm holes and stains that all combine to build the vintage character of this console.

The peg legs splay out slightly beyond the table top.

Table top depth: 15"

Leg depth: 17" and 21"

This table has been restored and sanded so it is strong, stable and ready to use and enjoy.
